

## **Practical 5 : Create Google Form – Attendance Report**

**Aim :** To design a Google Form and analyze responses.

### **Objectives**

- To create form with multiple question types
- To collect sample responses
- To analyze responses

### **Materials Required**

- Google account
- Internet

### **Procedure**

- **Create new Google Form**  
Open Google Forms from your Google account and click “Blank Form” to start a new form.  
This opens an empty form where you can add questions.
- **Title it “Student Attendance Report”**  
Enter the title at the top of the form and add a short description if needed. This helps respondents understand the purpose of the form.
- **Add MCQs, rating, checkbox and short answer**  
Use the question type menu to insert multiple-choice questions, rating scales, checkboxes, and short-answer fields.  
Arrange the questions in a logical order for easy response.
- **Customize theme**  
Click the Theme icon to change colors, fonts, and header images.  
This improves the appearance and makes the form visually appealing.
- **Share form and collect responses**  
Use the Send button to share the form via link, email, or QR code.  
Allow participants to submit their responses through any device.
- **View summary charts**  
Go to the Responses tab to see automatic charts and graphs generated by Google Forms.  
These visual summaries help you quickly analyze the collected data.
- **Take screenshots**  
Capture screenshots of the form, responses, and charts for documentation.  
Save them for use in reports or practical records
